Palliative care. Living well every day.

# EPC and Safewill have teamed up to make Wills easier and more affordable than ever for you!

## Prepare your Will

Safewill will ask a few simple questions that will allow you to create your own Will. We've made it easy enough that you can use any device, or over the phone if you'd prefer.

## Leave a charitable gift

You can leave a lasting legacy by leaving a charitable gift in your Will. A gift as little as 1% of your Estate can make the world of difference to an organisation like EPC.

## Submit for review

When you're ready, pay and submit to Safewill's legal advisers to make sure the steps have been filled out correctly. Safewill will be in touch within 2-3 business days.

## Print & sign

Once reviewed, Safewill will email you your Will document, ready to be printed and signed. Find two witnesses, sign the Will, and store it somewhere safe – you're all done.

# FAQs

## Is the Will legally valid?

Safewill's Wills have been drafted by practising Australian solicitors, and are reviewed and updated regularly to ensure that the document meets all legal requirements! On top of that, every Will is reviewed by their legal advisers to make sure that it has all been filled out correctly. Provided that you correctly sign the Will and have it witnessed in accordance with their signing instructions, the Will meets all legal requirements under Australian law.

## What is included in the Will?

Safewill covers the basic features of Will writing including executorship, appointing guardians for your children and pets, and estate distribution. Safewill also allows you to leave behind meaningful gifts, create comprehensive asset lists for your executor and specify funeral instructions.

## What if I want to change my Will?

Keeping your Will up to date with changing circumstances is really important. With the optional Safewill subscription service, you can make unlimited changes to your Will to reflect your current situation and current legislation for just \$15/year. The first year is included for free.

## Is my information secure?

Safewill uses global best practice systems for security and data protection, including encryption, user verification and secure hosting

## How do I know if Safewill is right for me?

Safewill is appropriate for the majority of people with relatively simple estates. If you have complex family or personal circumstances, or complicated asset holdings that may require tailored legal or taxation advice, we'd recommend seeking advice from a legal professional.
