

Virtual Sessions

1hr or 2hr targeted sessions on key palliative care topics held over ZOOM.

Interactive and personal; you can ask questions and engage with fellow attendees and your Educator, all in a place that suits you. You'll also receive the presentation afterwards for review.

Topics

- Philosophy of Palliative Care / Recognising Deterioration
- Communication / ACP Difficult Conversations
- Symptom Management for RN's (Includes Medication update)
- Symptom Management for PCA's
- The Dying Process and End of Life Care for RN'S (Includes Medication Update)
- Dying Process and End of Life Care for PCA's
- Grief, Loss and Bereavement
- Subcutaneous Infusions in Palliative Care

Each topic will have multiple sessions throughout the year.

For more information or to book, visit our website www.epc.asn.au/epc-virtual-sessions or call **1300 130 813**

Education to Health Care Providers

Community education is available to any individual, community agency, group or health care or residential facility that is interested in learning more about palliative care and a palliative approach.

Eastern Palliative Care Educators can provide a range of flexible education options to meet your needs.

Education can take the form of short sessions or longer courses.

Single sessions - face to face or virtual

- Topics tailored to your needs
- Flexible times and locations

Introduction to Palliative Care Course

- Full day courses for PCAs and RNs
- Offered on site at EPC Mitcham or at your facility

Our education services link to relevant accreditation standards to meet your funding requirements.

One hour of training equals one CPD Point for RNs.

More information is available on the website www.epc.asn.au/education or email: communityed@epc.asn.au.
